

Thank You For Your Support

The Starlight Children's Foundation would like to thank our 2008 Corporate Partners. Last year saw our programs accessed over 200,000 times by seriously ill and hospitalized children across Canada. This incredible success would not have been possible without your generous support and fantastic fundraising events. Here are some of the thank you messages we received last year as well as some photos of the children we helped.

The Scarborough Hospital

On behalf of the children, their families and our staff I would like to extend our very best wishes to all of those involved with the Starlight Children's Foundation. You help to brighten the spirits of the children while they make friends, memories and get well.

Lilly's CSI NY Wish

Hello Everyone! California is amazing! Today was Lilly's BIG day on the set of CSI NY. It was the best WISH and DREAM for Lilly! WOW! Lilly is beaming! It was, in Lilly's words, "The best day of her life!" We spent 8 hours on the set and every moment was magic! Starlight makes dreams come true!

Wish Child Henry

You've already done so much for me. I hope to one day do something even half as nice for others as what you have done for me. I could keep saying thank you for the rest of my life, but it would only scratch the surface of how grateful I really am.

North York General

Our daughter was admitted to the hospital for the first time this month at age 4. When we saw her Starlight build a bear kit her face lit up for the first time in days. Still in the hospital our daughter cuddles under her frog blanket with the teddy bear by her side.
