

RUTH WILCOCK

Executive Director, Ontario Brain Injury Association (OBIA)

Ruth Wilcock has worked in the community services field for 27 years. She has been in her current role as Executive Director of the Ontario Brain Injury Association (OBIA) since September 2010 and has been with the organization since 2004. Prior to joining OBIA, Ruth served for 13 years as the Executive Director of a long term residential program for women struggling with life controlling problems, including drug and alcohol addiction, emotional difficulties, and those who encountered problems with the law. Ruth holds a specialty certification in psychodynamic psychotherapy and is an active member of the Canadian Association of Psychodynamic Therapists (CAPT). Ruth's work at the Ontario Brain Injury Association continues to focus on enhancing the lives of Ontarians living with acquired brain injury through education, awareness and support and continuing the work of building the Affiliate Network of local brain injury associations and support groups across the province.
